

***Amendment to the Flood Standards Report of Activities as of November 1, 2021
Process for Determining the Acceptability of a Computer Simulation Flood Model
Adopted by the Florida Commission on Hurricane Loss Projection Methodology
October 26, 2023***

I. Scheduling

The following is an anticipated schedule:

September 2021	Committee meetings for 2021 Standards
October 2021	Adopt 2021 Standards and the <i>Flood Standards Report of Activities</i>
November 2021	<i>2021 Flood Standards Report of Activities</i> published
<hr/>	
November 1, 2023	Deadline for notification by modeling organization
December 2023 – January 2024	Commission meeting to review November 1, 2023 submissions
January – April 2024	On-site reviews for November 1, 2023 submissions
April – May 2024	Additional verification reviews, if necessary, for November 1, 2023 submissions
May – June 2024	Commission meetings to review models for acceptability under 2021 Standards for models submitted on November 1, 2023
<hr/>	
January 31, 2024	Extended deadline for notification by modeling organization
March 2024	Commission meeting to review January 31, 2024 submissions
April – July 2024	On-site reviews for January 31, 2024 submissions
July – August 2024	Additional verification reviews, if necessary, for January 31, 2024 submissions
September – October 2024	Commission meetings to review models for acceptability under the 2021 standards for models submitted on January 31, 2024
<hr/>	

June 1, 2025	Additional deadline for notification by modeling organization
July – August 2025	Commission meeting to review June 1, 2025 submissions
September – November 2025	On-site reviews for June 1, 2025 submissions
November 2025 – January 2026	Additional verification reviews, if necessary, for June 1, 2025 submissions
January – February 2026	Commission meetings to review models for acceptability under the 2021 standards for models submitted on June 1, 2025
<hr/>	
September 2025	Committee meetings for 2025 standards
October 2025	Adopt 2025 Standards and the <i>Flood Standards Report of Activities</i>
November 2025	<i>2025 Flood Standards Report of Activities</i> published
<hr/>	

The Commission will endeavor to expedite the review of a model if the Professional Team is able to verify all standards during the initial on-site review.
